Dear Sir:

In response to the Office Action of February 5, 2002, the three-month period for a response expires May 5, 2002, please amend the above-identified application as follows:

**In the Specification:**

Please replace the paragraph beginning at page 2, line 14, with following rewritten paragraph:

-- Currency price can be determined with a projected sales volume as well as market data. Sales volume can be calculated, for example, by extrapolating current sales data. In addition, a currency price can be negotiated using a step model wherein a currency price is determined based upon actual sales. For example, a first currency price can be available when an aggregated
